

Contents of Volume 13 (1976)

EDITOR'S NOTE: The January and April 1975 issues were the last two to be published under the title The Rocky Mountain Social Science Journal. On January 1, 1975, the sponsor of the Journal, the former Rocky Mountain Social Science Association, became the Western Social Science Association; upon the issuing of the April issue, the Journal was reentitled The Social Science Journal. To commemorate the change, a special double issue was published combining the October 1975 and January 1976 numbers.
